(Echo) Wishin' it was you...

(1st Verse) Hello there, Need you from my nightmare,  
The shadow in the background of the more.  
The unsuspecting victim, of darkness in the valley,  
We can live like Jack and Sally if we want. Where you  
can always find me,  
and we'll have halloween on christmas.  
and in the night, we'll wish this never ends, we'll wish  
this never ends.

(Echo) Wishin it was you....Wishin' it was you.

(2nd Verse) Where are you, and i'm so sorry I cannot  
sleep,  
I cannot dream tonight. I need somebody and always,  
This sick strange darkness, come's streakin on so  
haunting evertime. And as I stare I counted, webs from  
all the spiders.  
Catching things and eating there insides.  
Like indecision to call you, and hear your voice of  
treason.  
Will you come home and stop this pain tonight? Stop  
this pain tonight.

(Chorus)

Don't waist your time on me your already the voice  
inside my head.

(Wishin' it was you)

Don't waist your time on me your already the voice  
inside my head.

(Wishin' it was you)

(Instrumental)

(Chorus 2x)

(Wishin' it was you. 3x)
