I Won't Be Home For Christmas

(Deck the halls with boughs of holly  
fa la la la la, la la la la  
tis the season to be jolly  
fa la la la la, la la la la)

Outside the carolers start to sing  
I can't describe the joy they bring  
cause joy is something they don't bring me

My girlfriend is by my side  
from the roof are hanging sickles of ice  
their whiny voices get irritating  
It's Christmas time again

So I stand with a dead smile on my face  
wondering how much of my time they'll waste  
oh God, I hate these Satan's helpers

And then I guess I must have snapped  
because I grabbed the baseball bat  
and made them all run for shelter

It's Christmas time, again  
It's time to be nice to the people you can't stand, all  
year  
I'm growing tired of all this Christmas cheer

You people scare me  
please stay away from my home  
If you don't want to get beat down  
just leave the presents and then leave me alone

Well, I guess it's not cool to freak on Christmas Eve  
cause the cops came and arrested me  
they had an unfair advantage

And even though the jail didn't have a tree  
christmas came a night early  
cause a guy named Bubba unwrapped my package

It's Christmas time, again  
It's time to be nice to the people you can't stand, all  
year  
I'm growing tired of all this Christmas cheer

You people scare me  
please stay away from my home  
If you don't want to get beat down  
just leave the presents and then leave me alone

I won't be home, I won't be home for Christmas (x6)

Wrecked Him

With all those words you bring  
why do you say what you don't mean?  
to those people who don't care about  
one thing that you might need

And you just don't know  
your actions always shine the most  
to those people who don't care  
if you end up alone

You need some time to sew  
all those bridges that you burned  
'cause there's nothing left to bring  
to someone who just won't learn

Have you made up your mind?  
how have you known what you decide  
to those people who just think  
that you are telling lies

So I give up  
I made it clear as it can be  
to those people who don't care about  
one thing that you might need

You need some time to sew  
all those bridges that you burned  
'cause there's nothing left to bring  
to someone who just won't learn

Oh, you need some time to sew  
all those bridges that you burned  
'cause there's nothing left to bring  
to someone who just won't learn

Zulu

I'm feeling what I want to feel  
I'm saying what I've said all along  
because I know the things that are important to me  
because life is too short to be long

And those thoughts that I've kept inside  
with those words that I could not hide  
before those times that always remind me  
that all I ever did was try

So change your tune one step to make a stand  
I want to speak my mind start my own african tribe, I'm  
alone  
now run into the deepest pile of shit  
cause that's where I'm going to blend in, go!

Those choices that I've never made  
with those decisions that once cut me a break  
cause after all what's left in the end  
there's somethings that they just can't take

So take a bow, well you're not that great  
so pat your back, go off and masturbate  
cause one thing that you know for sure  
your hand is not a lonesome date

So change your tune one step to make a stand  
I want to speak my mind start my own african tribe, I'm  
alone  
now run into the deepest pile of shit  
cause that's where I'm going to blend in

So change your tune one step to make a stand  
I want to speak my mind start my own african tribe, I'm  
alone  
now run into the deepest pile of shit  
cause that's where I'm going to blend in

#### The Family Next Door

Oh how your mom is so inbred  
(she's so inbred)  
last night I caught your mother  
with your brother in her bed  
(with your brother in bed)  
five arms ten legs and four toes  
(the bitch has got four toes)

When you fuck your family I guess  
that's just the way it goes

(when you fuck your family I guess that's,  
that's just the way it goes)  
when you fuck your family I guess that's,  
that's just the way it goes

But don't worry  
your mom is not the only one  
(she's not the only one)  
because just the other night  
I caught your dad taking your  
brother's temperature with his tongue

When you go to his house  
don't kneel or squat (don't kneel or squat)  
before you know it his dad will tie  
my dick in a knot with his tongue

When you fuck your family I guess that's,  
that's just the way it goes  
(when you fuck your family I guess that's,  
that's just the way it goes)

Transvestite

My mom, she's not a woman anymore  
she dresses like, dresses like, dresses like a man  
(dresses like a man)  
oh how she's not as feminine as she  
used to be before  
oh how she is so damned masculine

I close my eyes (I close my eyes)  
my mom's not a woman anymore  
she's wearing a disguise  
everytime she leaves through that door

My mom's not the same  
as she was in the past  
if I misbehave she kicks my ass

My mom's not quite the  
woman that she was before  
when my friends come over  
she likes to wrestle them down to the floor

I close my eyes  
my mom's not a woman anymore  
she's wearing a disguise  
everytime she leaves through that door

My mom's a

my mom's a  
my mom's a transvestite

My mom's a  
my mom's a  
my mom's a transvestite

Dancing With Myself

From the walls of Tokyo  
down in London town's a go-go  
with the record selection  
and the mirror's reflection  
I'll be dancing with myself

when there's no one else in sight  
in a crowded, lonely night  
I wait so long for my love vibration  
and I'm dancing with myself

Oh, oh, I'm dancing with myself  
Oh, oh, dancing with myself  
when there's nothing to lose  
and there's nothing to prove  
I'll be dancing with myself  
Oh, oh, oh, oh

If I looked all over the world  
and there's every type of girl  
but their empty eyes seem to pass me by  
And leave me dancing with myself

So let's sink another drink  
cause it'll give me time to think  
if I had the chance, I'd ask the world dance  
I'd be dancing with myself

Oh, oh, I'm dancing with myself  
Oh, oh, dancing with myself  
if I had the chance, I'd ask the world dance  
I'd be dancing with myself  
Oh, oh, oh, oh

Oh, oh, oh, oh (3x)  
Marky!  
Oh, oh, oh, oh

If I looked all over the world  
and there's every type of girl  
but their empty eyes seem to pass me by  
And leave me dancing with myself

So let's sink another drink  
cause it'll give me time to think  
if I had the chance, I'd ask the world dance  
I'd be dancing with myself

Oh, oh, I'm dancing with myself  
Oh, oh, dancing with myself  
if I had the chance, I'd ask the world dance  
if I had the chance, I'd ask the world dance  
if I had the chance, I'd ask the world dance

Oh, oh, oh, oh (9x)  
yeah, in a sweat (5x), sweat! (10x)
