I'm sick of always hearing  
All those sad songs on the radio  
All day it is there to remind  
An oversensitive guy  
That is lost and alone, yeah

I hate our favorite restaurant  
Our favorite movie, our favorite show  
We would stay up all through the night  
We would laugh and get high  
And never answer the phone

CHORUS:

I can't forgive, can't forget, can't give in  
What went wrong?  
Cuz you said this was right  
You fucked up my life

I'm sick of always hearing  
Sappy love songs on the radio  
This place, it's fuckin cursed and its plagued  
And I can never escape  
When my heart, it explodes

CHORUS

I'm kicking out fiercely at the world around me  
What went wrong
