Its hard to wake up, when the shades have been pulled shut.

This house is haunted, its so pathetic, it makes no sense at all.

Im ripe with things to say, the words rot and fall away.  
No stupid poem could fix this home, I'd read it every day.

So heres your holiday  
Hope you, enjoy this time.  
You Gave it all away.  
It was mine.

So when your penis is dead and gone, will you  
remember this night. Twenty years now lost,  
it's not right.

Their anger hurts my ears - been running strong for  
seven years.  
Rather then fix the problem, they never solve them, it  
makes no sense at all.  
I see them everyday - we get along so why can't they?  
If this is what he wants, and its what she wants, then  
whys there so much pain?

So heres your holiday  
Hope you, enjoy this time.  
You Gave it all away.  
It was mine.  
So when your dead and gone, will you  
remember this night. Twenty years now lost,  
it's not right.

So heres your holiday  
Hope you, enjoy this time.  
You Gave it all away.
