In the darkest tunnel its nice to see a light , just a
headlight-
like the one that's headed right for me.
it would be be nice if things would turn out right, turn
out right, yeah.
don't think I'll ever see the day.

I must have done something wrong or maybe pissed
off God.
I, I think of chinese food when i think of life-
its sweet and sour
my lifes as sweet as saccharin

you know three week old milk and grapes are not the
same, they're not the same, no
i am the one johnny carcinogen
i must have fucked with some witch, in turn she cursed
me, cursed my life

At the end of the longest line
thats where i will always be
if you need to find me, you just go to the end of the
longest line

"But officer that was a yellow light," "The ligt was red,
son."
isobordanation, reckless driving.
i must be wrong, this can't be right, i don't belong-
this world is much too dangerous.. for someone lacking
luck like me

at the end of the longest line
thats where i will always be
if you need to find me, you just go to the end of the
longest line

at the end of the longest line
thats where i will always be
at the end of the longest line
