Hanging out behind the club on the weekend
Acting stupid, getting drunk with my best friends
I couldn't wait for the summer at the Warped Tour
I rememeber that it's the first time that I saw her there

She's getting kicked out of school cause she's failing
I'm kinda nervous, cause I think all her friends hate me
She's the one, she'll always be there
She took my hand and I made it I swear

Because I fell in love with the girl at the rock show
She said "what?" and I told her that I didn't know
She's so cool, better sneak me through the window
Everything's better when she's around
I can't wait til her parents go out of town
I fell in love with the girl at the rock show

When we said we were gonna move to Vegas
I rememeber the look her mother gave us
17 without a purpose or direction
We don't owe anyone a fuckin explanation

I fell in love with the girl at the rock show
She said "what?" and I told her that I didn't know
She's so cool, better sneak me through the window
Everything's better when she's around
Can't wait til her parents go out of town
I fell in love with the girl at the rock show

Black and white pictures of her on my wall
I waited for her call, she always kept me waiting
And if I ever got another chance I'd still ask her to
dance
Because she kept me waiting

I fell in love with the girl at the rock show
She said "what?" and I told her that I didn't know
She's so cool, better sneak me through the window
Everything's better when she's around
Can't wait til her parents go out of town
I fell in love with the girl at the rock show

with the girl at the rock show
with the girl at the rock show
(I'll never forget tonight)
with the girl at the rock show
