I'm sick of always hearing,
All those sad songs on the radio
All day it is there to remind,
An over-sensitive guy
That he's lost and alone, yeah

I hate our favourite restaurant
Our favourite movie
Our favourite show
We would stay up all through the night
We would laugh and get high
And never answer the phone

I can't forgive, can't forget, can't give in
What went wrong? 'Cause you said this was right
You fucked up my life

I'm sick of always hearing
Sappy love songs on the radio
This place is fucking cursed and it's plagued
And I can never escape
When my heart it explodes

I can't forgive, can't forget, can't give in
What went wrong? 'Cause you said this was right
You fucked up my life

I'm kicking out fiercely at the world around me
What went wrong?
I'm kicking out fiercely at the world around me
What went wrong?
I'm kicking out fiercely at the world around me
What went wrong?
I'm kicking out fiercely at the world around me
What went wrong?

I'm kicking
