Angel

You're the one  
Who took my heart and  
Filled it with love  
But the hard times are willing to come

I was wrong  
I was such a fool to  
Let you go  
Please, return to me, my dearest

Angel,  
Can you hear me pray?  
Please, don't go away  
I beg you to stay with me  
Angel,  
Come and save my soul  
It is so alone  
Without you

Trapped in a maze  
I can't find you in haze  
Can you give me a sign  
And be mine for this night  
To explain you how sorry I am?  
I will never let you down again...

All the lonely nights,  
All the tears I've cried  
Wounded my soul, that's why  
I just cannot wait  
Any other day  
Can you forgive me now?  
I won't let you go  
Not this time, I know  
I'll do whatever you say,  
But please don't go away!

Oh, God, save and bring back my

Angel,  
Forgive my sins  
Our love will win  
I pray you, my darling  
Oh, angel,  
Don't be afraid  
It will be okay  
Trust me, please

Please, believe  
I say the truth  
On my knees  
Praying for you

Now I feel  
Feel your presence  
Right behind of me...  
Am I dreaming or this is for real?
