Are you with me?

**MotoLyrics** 

Crawling From the inside To the other side

Fighting For the people Reuniting

So come on, come on Let it all out, let it all out I know you can

Together, together We're stronger as one Are you with me?

Together, together We're stronger as one Are you with me? We are opening Up the future From the chaos of the dark

Living In the moments Leading everyone

So come on, come on Let it all out, let it all out I know you can

Together, together We're stronger as one Are you with me?

Together, together We're stronger as one Are you with me?
