Sorry, is all that you can't say
Years gone by easily
And still words don't come easily
Like i'm sorry, i'm sorry, i'm sorry

forgive me, is all that you can't say
Years go by and still
Words don't come easily
Like forgive me, forgive me, forgive me.

But you can say baby
Baby can i hold you tonight
Baby if i told you the right words
Oh, at the right time
You'd be mine.

I love you, is all that you can't say
Years gone by and still
Words don't come easily
Like i love you, i love you

repeat chorus
