Your late night calls, your drunken kiss.
To tell the truth im definately over this.
Go eat your cake, he's oh so rich.
You know you feed the greed all because...

He buys you champagne, I buy you lemonade,
Makes him something of a casanova?
Maybe you're right, but for tonight...
You're the one im getting over.

Just to be sure
You needed more?
But still you call
Im getting bored!

All because he buys you champagne I buy you lemonade,
Makes him something of a casanova?
Just to be sure
You needed more?

Oh my god! have you seen this goon?!
Love his 'wallet' must be huge to bag a girl like you.
But I dont care...well that's not true,
It's just you fell in love all because...

He buys you champagne I buy you lemonade,
Makes him something of a casanova?
You know aswell as I, thats not my style..
Go on let me take you home girl..ohh!

Just to be sure
You needed more?
But still you call
I'm getting bored!

All because he buys you champagne I buy you lemonade,
Makes him something of a casanova?
Just to be sure

You needed more?

It's a dilemmatic situation,
Do I take you home and bite the bait...
Over-load analysation of love.
Suppose I'm the mug for you.....

Just to be sure
You needed more?
But still you call
I'm getting bored!
All because he buys you champagne I buy you lemonade,
Makes him something of a casanova?
Just to be sure
You needed more?
