Yes I know it's probably too late,
Iâ€™ve had a couple and I canâ€™t think straight
All night doing nothing but thinking of you, of you

Iâ€™m quite near, can I come stay?
I know I hurt you but Iâ€™m trying to say
The only thing that Iâ€™ve ever been afraid to tell you,
tell you

And my friends are telling me to hang up, hang up
So I donâ€™t regret it when I wake up, wake up
And my friends are telling me to hang up, hang up
But I wonâ€™t regret it when I wake up, noo

Donâ€™t mind if I, I drunk dial when I
Iâ€™m getting pissed outside smoking cigarettes
Donâ€™t mind if I, I drunk dial when I
Iâ€™m getting pissed outside smoking cigarettes

I know, I donâ€™t say it enough but Iâ€™m in love
So donâ€™t mind if I, Iâ€™m drunk dialling ya, Iâ€™m drunk
dialling ya
Smoking cigarettes

Drinking and the truth comes out
But itâ€™s funny how Iâ€™m fearless when the shot goes
down
Gonna get loud cause Iâ€™m pushing this crowd to hear
you, hear me

And my friends are saying Iâ€™ll be banged up, banged
up
Iâ€™ll be in a cell when I wake up, wake up
Oh I swear itâ€™s worth it, please donâ€™t hang up, hang
up
But I wonâ€™t regret it when I wake up, noo

Donâ€™t mind if I, I drunk dial when I
Iâ€™m getting pissed outside smoking cigarettes
Donâ€™t mind if I, I drunk dial when I
Iâ€™m getting pissed outside smoking cigarettes

I know, I don't say it enough but I'm in love
So don't mind if I, I'm drunk dialling ya, I'm drunk
dialling you
And smoking cigarettes

Whoohoaaa
Keep your ear up to the phone
This can't wait 'till I get home,
Hang on, hang on, hang on
On and on and on and on

Whoohoaaa
This is something you should know
Girl I've loved you all along
Hang on, hang on, hang on,
On and on and on and on

So don't mind if I,
Don't mind if I
Don't mind if I

Oh yeah
Don't mind if I, I drunk dial when I
I'm getting pissed outside smoking cigarettes

I know, I don't say it enough but I'm in love

So don't mind if I, I'm drunk dialling you, I'm drunk
dialling you
And smoking cigarettes

Don't mind if I drunk dial when I
I'm getting pissed outside smoking cigarettes
