What do tigers dream of...  
When they take a little tiger snooze?  
Do they dream of mauling zebras...  
Or Halle Berry in her catwoman suit?

Don't you worry you're pretty striped head,  
We're gonna get you back to Tyson in you're cozy tiger  
bed.  
Then we're gonna find our best friend Doug,

Then we're gonna give him a best friend hug.

Doug, Doug, Oh, Dougie, Doug, Doug, Doug, Dougie,  
Doug.

But if he's been murdered by Crystal Meth Tweakers...  
Well, then we're s\*\*\* outta luck!
