Now all through seasons that have passed  
We played this game called "it's a farce"  
We had our parts down to a tee  
We made theatrical history  
But I won't bow to play the game  
I won't try hard to save the day  
It's lunacy  
It's lunacy

We spoke of love felt in our hearts  
We spoke of things that never passed

It reminds me every now and then  
I thought I was your only friend  
Now I don't care if I spend my dough  
I'll go to the baker's shop and get some more  
It's lunacy  
It's lunacy

But I never thought I'd see the day  
That I could finish a song that way  
It's lunacy  
It's lunacy
