Everytime somebody says to me,  
it's a secret, well I have to laugh  
'cause that is something I just can't keep  
it's a secret,

Oh I've tried it once or twice  
but it didn't work too well  
so you'd better think it over  
'cause I'm gonna tell

la-la-la-la-la-la-oh-oh  
I'll kiss and tell  
and everybodys' gonna know  
la-la-la-la-la-la-oh-oh  
I'll kiss and tell  
gotta let my feelings show

'cause they tell me it's gotta be a secret thing  
it's no secret  
well, I've heard that before  
and there is always someone waiting in the wings  
it's no secret

So if there's somebody else on your mind  
then it's not gonna work too well  
you would only be wasting your time  
'cause I'm gonna tell

la-la-la-la-la-la-oh-oh  
I'll kiss and tell  
and everybodys' gonna know  
la-la-la-la-la-la-oh-oh  
I'll kiss and tell  
gotta let my feelings show

Well, I'm not gonna get down to it  
until ya' make your mind up  
so make your mind up,  
mind up,  
mi...nd up, call me up  
'cause I want to kiss and tell

if there's somebody else on your mind  
then it's not gonna work too well  
you would only be wasting your time  
'cause I'm gonna tell

la-la-la-la-la-la-oh-oh  
I'll kiss and tell  
and everybodys' gonna know  
la-la-la-la-la-la-oh-oh  
I'll kiss and tell  
gotta let my feelings show

Well, I'm not gonna get down to it  
until ya' make your mind up  
so make your mind up,  
mind up,  
mi...nd up, call me up  
'cause I want to kiss and tell

la-la-la-la-la-la-oh-oh  
I'll kiss and tell  
and everybodys' gonna know  
la-la-la-la-la-la-oh-oh  
I'll kiss and tell  
gotta let my feelings show
