I'm just looking
I'm just looking for
Just looking for a way around
Just looking for a way around
It disappears this near
It disappears this near
You're the rod I'm water
You're the rod i'm water
I'm just looking for the divine hammer
I'm just looking for the divine hammer

One divine hammer [2x]
One divine hammer

One divine hammer
I'm just looking for one divine hammer

I'd bang it all day
I'm just looking for one divine hammer
Oh the carpenter goes bang
I'd bang it all day
Bang bang
Oh the carpenter goes bang
I'm just looking for the divine hammer
Bang bang

I'm just looking for one divine hammer
One divine hammer [2x]

One divine hammer
I'm just looking for a faith
One divine hammer
Waiting to be followed

It disappears this near
I'm just looking for a faith
You're the rod I'm water
Waiting to be followed
I'm just looking for one divine hammer
It disappears this near

You're the rod i'm water
One divine hammer
I'm just looking for one divine hammer
Divine hammer

One divine hammer
One divine hammer
One divine hammer
One divine hammer
One divine hammer
One divine hammer
