I like all the different people I like sticky everywhere Look around, you bet I'll be there! Hot metal in the sun Pony in the air Sooey and saints at the fair

Saints alive you're saying Walk in ... squares The hid are out, out for the year It's a lot of face A lot of crank air Eroding around here

Summer's ready Summer is ready when you are

I like all the different people I like every kind of fair In the crowd, you bet I'll be there! Walkin' around Going nowhere Seeing Sooey and saints at the fair

Summer is ready when you are [2x] Summer's ready Summer is ready when you are Summer's ready Summer is ready when you are

It's a lot of face, crank air

Summer's ready Summer is ready when you are
