Drivin' on 9
You could be a shadow
Beneath the street light
Behind my home

Drivin' on 9
I sure miss you
Pass a motel
Looking at the piles

Drivin' on 9
Looking for one thirty
Maybe I passed it
Go another mile

Drivin' on 9
Drivin' on 9

Drivin' on 9
I sure look pretty
Carson City
Walking down the isle

Drivin' on 9
Does daddy have a shutgun
He said he'd never need one
Go another mile

Drivin' on 9

Drivin' on 9
Looking out my window cell
Wondering if I want you still
Wondering what's right

Drivin' on 9
Drivin' on 9
Drivin' on 9
