Da-da...

Da-da...

Ahhh...

Ahhh...

Hold my breath for three more year
Hold my breath for three more years
Yeah, three years
Yeah, three years
On my own on Saturdays
On my own on saturdays

It's glorious [2x]

It's glorious

It's glorious

We were tired from the tea

Scrabbled when we slept
We were tired from the sleep
Through the window came the rain
Scrabbled and we slept

Through the window came the rain
It's glorious [6x]

It's glorious
Being tired from the tea
It's glorious
Hold my breath for three more year
It's glorious
Yeah, three years
It's glorious
On my own on Saturdays

It's glorious
It's glorious [3x]
It's glorious

Being tired from the sleep
Hold my breath for three more year

Yeah, three years
On my own on saturdays

It's glorious
It's glorious
It's glorious
It's glorious
