He's the Invisible Man  
He's the invisible man  
Count the bubbles in your hand  
Count the bubbles in your hand  
The southern skies  
The southern skies  
And the summer sites  
And the summer sites

That's all that's left behind  
That's all that's left behind  
The skies, and a sweet caress  
The skies, and a sweet caress  
He's the Invisible Man  
He's the invisible man  
Catch him if you can  
Catch him if you can

You're nowhere in sight (just imagine that)  
You're nowhere in sight (just imagine that)  
Nothing excites you (baby, that's a fact)  
Nothing excites you (baby, that's a fact)  
Open your eyes  
Open your eyes  
Look and you will find  
Look and you will find

That's all that's left behind... the skies  
That's all that's left behind... the skies  
And a sweet caress  
And a sweet caress  
The skies, the sights  
The skies, the sights  
And a sweet caress  
And a sweet caress  
He's the Invisible Man  
He's the invisible man  
Catch him if you can  
Catch him if you can

That's all that's left behind... the skies

That's all that's left behind... the skies  
And a sweet caress  
And a sweet caress  
The skies, the sights  
The skies, the sights  
And a sweet caress  
And a sweet caress  
He's the Invisible Man  
He's the invisible man  
Catch him if you can  
Catch him if you can
