Four hours in the pot, one hour out
Four hours in the pot, one hour out
It grows and I sleep standing up
It grows and i sleep standing up
When Iris sleeps over
When iris sleeps over
What a book she'll write
What a book she'll write
Oh last night
Oh last night
Oh come on, nobody wants that
Oh come on, nobody wants that
Sister, sister, Oh...
Sister, sister, oh...
We tried hour by hour
We tried hour by hour
Hour by hour *2
Hour by hour

Hour by hour
Four hours to daylight, four hours and then

Pour water on me til I live again
Four hours to daylight, four hours and then
When Iris sleeps over
Pour water on me til i live again
It'll be alright
When iris sleeps over
All last night
It'll be alright
But come on, nobody wants that
All last night
Sister, sister, oh...
But come on, nobody wants that
We tried hour by hour
Sister, sister, oh...
Hour by hour *2
We tried hour by hour
Hour by hour
Hour by hour
