Down to who knows who just to socialize
I'm waiting for my girls when you caught my eyes
You got no way to make a man
Honey you got to understand
I'm your man child
Lord of the thighs

Well well lordy my God what do we got here
You're flashin' 'cross the floor
Make it perfectly clear
You're the bait and you're the hook
Someone to take a look
I'm your man child lord of the thighs

You must have come here to find it
You've got the look in your eyes
Although you really don't mind it
I am the lord of your thighs
