Can't stop the wave of sorrow
Every while that you go
Gimme this night
Gimme
Gimme this night
Gimme

Can't stop the wave of sorrow
Every while that you go
Come home
Come home
Come home
Come home

This night of joy follows
Oh everywhere you go

Can't stop the wave of sorrow
Every while that you go
Come home
Come home
Come home
Come home

This night of joy follows
Oh everywhere you go

This night of joy
Oh everywhere you go
Come home
Come home
Come home
