No bye, no aloha
No bye, no aloha
Gone with a rock promoter
Gone with a rock promoter
A rock promoter
A rock promoter
I know, I saw
I know, i saw
And now may die
And now may die

O the treats
O the treats
Saw it on the wall
Saw it on the wall
Motherhood means mental freeze
Motherhood means mental freeze
(Freezeheads)
(freezeheads)
No aloha
No aloha
I know, I saw
I know, i saw
And now may die
And now may die

No bye, no aloha
No bye, no aloha
Gone with a rock promoter
Gone with a rock promoter
A rock promoter
A rock promoter
I know, I saw
I know, i saw
And now may die
And now may die
