I've laid this island sun a 1000 times  
I'm on it  
But I'm going strange  
This island's chills and shell cover me  
With winded rock  
And skies I've got yet to see  
I tried  
I even sent in friends  
They did it as a favor  
Cause I'm not that way  
I am the autumn in the scarlet  
I am the make-up on your eyes

I land to sail  
Island sail  
Yeah, we're movin  
Yeah, we're movin  
This island's sun I've laid 1000 times  
Fortune me  
Fortune me  
Of all my mistakes  
I think I lent you late

But I've never seen a scarlet  
Or a riot or the violence of you

I land to sail  
Island sail  
Yeah, we're movin'
