Oh...

Oh...

Back burns are green and off for me and her

Back burns are green and off for me and her

He's an ape, he's an ape, he's an angel

He's an ape, he's an ape, he's an angel

Only in 3's, oh...

Only in 3's, oh...

Only in 3's, oh yeah

Only in 3's, oh yeah

Only in 3's, oh...

Only in 3's, oh...

Oh...

Oh...

Hay for a bed with her on my head

Hay for a bed with her on my head

And you are the king, the same king who will burn me

And you are the king, the same king who will burn me

Only in 3's, oh...

Only in 3's, oh...

Only in 3's, oh yeah

Only in 3's, oh yeah

Only in 3's, oh...

Only in 3's, oh...
