No one break for me
I just got life
I'm in beer class
Every Thursday night

I was choppered out of sea life
Bad advice filled the air
Valour
Ready
Fight
Go on, get the mayor

Jumped tank
And leavin'
Broth of thieves
Has anyone seen the iguana
Has anyone seen the iguana

No one broke for me
I just got life
I'm in cedars
Every single night

Swarmed and choppered
Out of sea life
Has anyone seen the iguana (4x)
Has anyone
Has anyone seen the iguana
