In side lakes of corduroy I've been  
In side lakes of quarterly(?) i've been  
Heard stories of velveteen  
Heard stories of air velveteen  
Twenty hours later I fill the room  
Twenty hours later i fill the room  
With bad sex and bad TV  
With bad sex and bad tv

Go, go, go [2x]  
Go, go, go \*2

When I was a painter I painted you well  
When i was a painter i painted you well  
Too bad I have to die  
Too bad i have to die  
You brought the essentials, perversion appeal  
You brought the essentials, perversion appeal  
And many lovers at one time  
And many lovers at one time

Go, go, go [2x]  
Go, go, go \*2  
Now, now  
On and on, on, on

In side lakes of corduroy I've been  
In side lakes of quarterly(?) i've been  
Heard stories of velveteen  
Heard stories of air velveteen  
Twenty hours later I fill the room  
Twenty hours later i fill the room  
With bad sex and bad TV  
With bad sex and bad tv

Go, go, go \*2  
Go, go, go \*2  
Now, now  
On and on, on, on
