Its been a hard year  
Since you went away  
No matter what I did or said  
I couldn't make you stay  
But I'm gonna be strong  
I'm gonna hold on  
I'm gonna get on with my life  
Starting tonight, I'm gonna kiss the past goodbye  
Cause I'm gonna burn down your memories  
Right down to the ground  
Picture by picture  
Letter by letter  
I'll watch 'em all burn down  
Watch those good and bad times  
Disappear into the sky  
Tonight I'm gonna let your memories fly  
Since that screen door slammed  
You've been gone without a trace  
And for the first time in my life  
My heart felt out of place  
But I'm gonna be strong  
I'm gonna hold on  
I'm get on with my life  
Starting tonight I'm gonna kiss the past goodbye  
Cause I'm gonna burn down your memories  
Right down to the ground  
Picture by picture  
Letter by letter  
I'll watch 'em all burn down  
Watch those good and bad times  
Disappear into the sky  
Tonight I'm gonna let your memories fly  
Cause I'm gonna burn down your memories  
Right down to the ground  
Picture by picture  
Letter by letter  
I'll watch 'em all burn down  
Watch those good and bad times  
Disappear into the sky  
Tonight I'm gonna let your memories fly  
Woah tonight I'll let your memories fly  
Fly, just a little bit higher

Fly, right off into the sky  
Fly, just a little bit higher  
Fly, right off into the sky
