Chorus

If you could only see the way she loves me
then maybe you would understand
why i feel this way about our love
and what i must do
if you could only see how blue her eyes
can be when she says when she says she loves me

Well you got your reasons and you got your lies
and you got your manipulations
coming down to size
say you love but you dont give me love but you wont

Chorus

If you could only see the way she loves me
then maybe you would understand
why i feel this way about our love
and what i must do
if you could only see how blue her eyes
can be when she says when she says she loves me

See the road less traveled shows happiness unraveled
and you got to take a little dirt to get what you want
thats what you gotta do
say you love but you dont give me love but you wont

Chorus

If you could only see the way she loves me
then maybe you would understand
why i feel this way about our love
and what i must do
if you could only see how blue her eyes
can be when she says when she says she loves me

say you love but you dont give me love but you wont
say you love but you dont give me love but you wont

Chorus

If you could only see the way she loves me
then maybe you would understand
why i feel this way about our love

and what i must do
if you could only see how blue her eyes
can be when she says when she says she loves me
