You can spend the night waitin' for a prince charming
to come along
Tall rich and handsome sensitive and strong
Take a look around at all these guys
Judge 'em all with your critical eye
I got a feeling you'll be waiting for a long long time

Well I might not be Mr Right
Baby we can have some fun tonight
I might not be Mr Right
But I'm Mr Right now

I'm not the picture of the perfect man
But in the words of popeye I am what I am
All I can say is I do the best I can
What you see aint always what you get
Baby you aint seen nothin' yet
I can show you a night that you won't forget

Well I might not be Mr Right
Baby we can have some fun tonight
I might not be Mr Right
But I'm Mr Right now
How do you feel about a little romance
Can I buy you a drink or do you wanna dance
What do you think are you willin' to take a chance

Well I might not be Mr Right
Baby we can have some fun tonight
I might not be Mr Right
But I'm Mr Right now
Well I might not be Mr Right
Baby we can have some fun tonight
I might not be Mr Right
But I'm Mr Right now
Well I might not be Mr Right
Oooh I think we can have a little fun tonight
Well I might not be Mr Right
But I'm Mr Right now
