Straight laced, a little shy at times
Living on the edge
Never was your style
You follow rules, take things slow
You ain't never been the type
To just let the dice roll
The night is perfect and the moment is right
Don't be afraid to let your hair down tonight

(Chorus)
Just go crazy with my heart
Get a little reckless with your love
Lose yourself in my arms
'Cause I want you so much
Drive me right out of my mind
Just like you've done from the start
Lose control with me tonight
Go crazy with my heart

Skiping beats and dancing around
When you're next to me
I can't calm it down
I'm overwhelmed, lost in your love
Right now I've got it all
I still can't get enough
Take a chance and go out on a limb
Close your eyes and let's throw caution to the wind

(Chorus)
Just go crazy with my heart
Get a little reckless with your love
Lose yourself in my arms
'Cause I want you so much
Drive me right out of my mind
Just like you've done from the start
Lose control with me tonight
Go crazy with my heart

(Chorus)
Just go crazy with my heart
Get a little reckless with your love

Lose yourself in my arms
Oh 'cause I want you so much
Drive me right out of my mind
Just like you've done from the start
Lose control with me tonight
Go crazy with my heart

(Chorus)
Just go crazy with my heart
Get a little reckless with your love
Lose yourself in my arms
Oh 'cause I want you so much
Drive me right out of my mind
Just like you've done from the start
Lose control with me tonight
Go crazy with my heart

Just go crazy, crazy with my heart...
