"Control Freak"

Visit "[Control Freak](#)" on MotoLyrics.com

I wish I was a control freak 'cause then I'd have control
I'd be operating at my peak not doing what I'm told
I'd push around all my colleagues, and put projects on
hold

The whole idea of democracy is lost on me
I'm already free

I've got a good idea
I've got a good idea
I've got a good idea

And if I was a producer then I'd protect my ears
No photographs in the paper an anonymous career
There'd be so much time working alone that I'd be
bored to tears

The whole idea of fraternity appeals to me
It's like a family

I've got a good idea
I've got a good idea
I've got a good idea
I've got a good idea
I've got a good idea
I've got a good idea

So here's what I'll do
I'll follow you
And you can guide me through
The mess I fell into

I'll follow you
Only if you approve
I'll make it all up to you

I wish I was a computer then I'd be organized
I'd sit around on a pine desk, no bills to reconcile
It really is just a nice dream that I won't realize
It confuses me the technology 'cause my brain's too
slow
I'm a technophobe

I've got a good idea
I've got a good idea
I've got a good idea
I'm getting out of here
I've got a good idea
I've got a good idea
I'm getting out of here
