Hey

Tonight my heart nearly broke like glass  
I made a mistake that I'll never surpass  
I'm floatin' in space, unattached to the world  
I cast off the memory of the spell o' that girl

Whatever I get, I guess it's what I deserve...

I don't remember  
Just what made it so hard before  
I know you needed someone to take the fall  
I know you needed someone to blame it on

I smashed the mirror just to look what's behind  
Picked through the pieces just to see what I'd find  
I found my heart and it broke like glass  
I made that mistake that I'll never surpass

Well I let go of my grip on the past...

But I don't remember  
Just what made it so hard before  
I know you needed someone to take the fall  
I know you needed someone to blame it on  
Blame it on

Hey

Hey, hey don't you look away  
Hey, hey I got somethin' to say

I don't remember  
Just what made it so hard before  
I know you needed someone to take the fall  
I know you needed someone to blame it on

I don't remember  
I don't remember  
I don't remember  
I know you needed someone to take the fall
