Tonight my heart well it broke like glass  
I made a mistake that i'll never surpass  
I'm floating in space unattached to the world  
I cast off the memory of the spell of that girl  
Whatever I get I guess its what I deserve

I don't remember  
Just what made it so hard before  
I know you needed someone to take the fall  
I know you needed someone to blame it on

I smashed the mirror just to look whats behind  
Picked through the pieces just to see what i'd find  
I found my heart and it broke like glass  
I made that mistake that i'll never surpass  
I let go of my grip on the past

I don't remember  
Just what made it so hard before  
I know you needed someone to take the fall  
I know you needed someone to blame it on

Hey, hey don't you look away  
Hey, hey I've got something to say
