(whatcha got boys?)

I got a devil of a bull and his eyes are red  
Got the leather cinched up tight as it'll get  
I ain't found nothin' that'll throw me yet

It feels a little better when I'm out on the edge  
Like a Tarantino movie running through my head  
I ain't gonna sleep again until I'm dead

I'm gonna fly just as high as I want to  
I'm gonna roll like a river anywhere that I choose yeah  
Ain't nothin' gonna slow me down  
And I ain't gonna stop till I drop

Push it to the limit take it to overload  
Keep the crowd screaming everywhere that I go  
Everybody's rockin' when the see me rodeo

I don't need anybody telling me what to do  
I've come a long long way with this bad attitude  
I wore a hole through the sole of my bull ridin' boots

I'm gonna fly just as high as I want to  
I'm gonna roll like a river anywhere that I choose yeah  
Ain't nothin' gonna slow me down  
And I ain't gonna stop till I drop  
Come on

Well now Vegas is on my mind  
And someday I'll be there for the ride  
So don't tell me, don't tell me not to try

I'm gonna fly just as high as I want to  
I'm gonna roll like a river anywhere that I choose yeah  
Ain't nothin' gonna slow me down  
And I ain't gonna stop till I drop

I'm gonna fly just as high as I want to yeah  
I'm gonna roll like a river anywhere that I choose yeah  
Ain't nothin' gonna slow me down  
And I ain't gonna stop till I drop

Ain't nothin' gonna throw me down  
And I ain't gonna stop till I drop  
Ain't nothin' gonna slow me down  
And I ain't gonna stop till I drop
