I'm just another small town cowboy story,
Lately when I ride it's getting a little boring,
There aint a record in a hundred miles that i havent
shattered,
Im known around here but that dont matter,
But out in the desert the stakes are high,
Im gonna bet it all and let it ride,

(chorus)
I gotta make it to Vegas,
Forget about the dice and the aces,
I gotta take it to Vegas,
Even on the bulls that are famous,
Every single thing that steps into the ring is Bodacious,
Know what i gotta do is,
Make it to Vegas.

There aint a draw there thats easy to handle,
But if i can just hang on it'll all be worth the gamble,
All those bright lights they aint worth all the trouble,
'Sides 4 of a kind wont get you a gold buckle,
The only number's i'll play are on my back,
There aint no blackjack at the thomas and Mac,

(chorus)
I gotta make it to Vegas,
Forget about the dice and the aces,
I gotta take it to Vegas,
Even on the bulls that are famous,
Every single thing that steps into the ring is Bodacious,
Know what i gotta do is,
Make it to Vegas.

Believers Believe and Pretenders pretend,
Its gonna make me a loser if i dont win

(chorus)
I gotta make it to Vegas,
Forget about the dice and the aces,
I gotta take it to Vegas,
Even on the bulls that are famous,
Every single thing that steps into the ring is Bodacious,

Know what i gotta do is,
Make it to Vegas....
