"Almost Dead"

No more gods
No more graves
Are you friend or fiend?
No more life
No more death
Somewhere in between

No more gods
No more graves
Are you friend or fiend?
No more life
No more death
Somewhere in between

Well we're almost dead
Almost dead
Almost dead to the world
Almost dead
Almost dead
Almost dead to the world

Heaven can't save us
Hell is a joke
No place left to go
What you see
You cannot believe
But when we rise, you'll know
Well we're almost dead
Almost dead
Almost dead to the world
Almost dead
Almost dead
Almost dead to the world

Well we're almost dead
Almost dead
Almost dead to the world
Almost dead
Almost dead
Almost dead to the world

Well we're almost dead

Almost dead
Almost dead to the world
Almost dead
Almost dead
Almost dead to the world

Well we're almost dead
