The numeric transmission five triple-zero was received
repeatedly

Without interruption for eight days to four days

It struck suddenly on the ninth

And that's when the destruction began

Blast off, blast off to nowhere

Blast off, this is time to go

Blast off, blast off to nowhere

Blast off, are you really what you think so?

Blast off, blast off to nowhere

Please just kill me now or get me off this rock

Cause I can't stand to hear your faces

And I can't stand to hear you talk

Blast off, blast off to nowhere

Blast off, this is time to go

Blast off, blast off to nowhere

Blast off, are you really what you think so?

Blast off, blast off to nowhere

Blast off, this is time to go

Blast off, blast off to nowhere

Blast off

Prepared for anything

'Cause this time is for real

Burn the souls of those left behind

And I don't care how you feel

'Cause it's time to blast of

Blast off, blast off to nowhere

Blast off, this is time to go

Blast off, blast off to nowhere

Blast off, are you really what you think so?

Blast off, blast off to nowhere

Blast off, this is time to go

Blast off, blast off to nowhere

Blast, blast, blast
