[Chorus]

Get up
Get up
Get up
Drop the Bombshell

Get up
Get up
This is out of control

Get up
Get up
Get up
Drop the Bombshell

Get up
Get up
Get down...

Now, look who's coming
Yeah, look who's back
Quick drop the bombshell straight to the track
The 21st century killing machine
Burnt on the inside,
A five-headed team

Now I'm not the same because you're not the same,
Well you're not the same the because I'm not the same,
We're not the same, this could never be the same
and we just wanna survive...

[Chorus x2]

Get up
Get up
Get up
Drop the Bombshell

Get up
Get up
This is out of control

Get up

Get up
Get up
Drop the Bombshell

Get up
Get up
Get down...

Now you are the same, because you want it all,

and you want the transmit cause you want the call,
and you want the one that makes the worlds collide,
but since that has happened who knows what's inside...

I'm not same
You're not the same
You're not the same, and
I'm not the same...

[Chorus x2]

Get up
Get up
Get up
Drop the Bombshell

Get up
Get up
This is out of control

Get up
Get up
Get up
Drop the Bombshell

Get up
Get up
Get down...

Get up! Get up!
Drop the Bombshell!
Get up! Get up!
Drop the Bombshell!

[Chorus]

Get up
Get up
Get up
Drop the Bombshell

Get up
Get up

This is out of control

Get up

Get up

Get up

Drop the Bombshell

Get up

Get up

Get down...
