Get on, get off, get on

You're gonna feel  
What you're gonna get?  
You wanna know  
What you wanna know?

Not of this moment  
Not without wings  
Not of confusion  
Not anything

Get on, get off, get on, get off  
Get on, get off, get on  
Get on, get off, get on

You're gonna feel  
What you're gonna get?  
You wanna know  
What you wanna know?

Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah

Not from this planet  
Not of this earth  
Not with you diggin'  
Not of this dirt

You were not thinking, while I was thinking  
Your never thinking, I'm always thinking  
You wanted everyone to get the truth right  
When you were stuck in line, while I was gone

You're gonna feel  
What you're gonna get?  
You wanna know  
What you wanna know?

You're gonna feel  
What you're gonna get?  
You wanna know

What you wanna know?

Get on, get off, get on

Get on, get off, get on

Get on, get off, get on

Get on, get off, get on
