Neckbone or backbone, neckbone or back  
Neckbone or backbone, neckbone or back  
Neckbone or backbone, neckbone or back  
You got no fiction if you've got no fact

Neckbone or backbone, neckbone or back  
Neckbone or backbone, neckbone or back  
Neckbone or backbone, neckbone or back  
You got no fiction if you've got no fact

Neckbone or backbone, your choice for the breakin'  
You're thinkin' for a minute your choice might be takin'  
Mistaken for some good or some bad  
You see what you got, I see what you had

There ain't no difference in the left, right  
There ain't no difference in the blind, sight  
Now stop for a minute 'cause your head is gettin'  
spastic  
Paper or plastic, paper or plastic

Situation no win is the sin, so you rush for a change  
But the change has just always been the same  
Same fools still trippin' off same old ways  
New fools just thinkin' about some better days

Transparent, apparently you let it all pass  
A kick in the head, a kick in the ass  
It's all the same to me, yeah  
It's all the same to me

Neckbone or backbone, neckbone or back  
Neckbone or backbone, neckbone or back  
Neckbone or backbone, neckbone or back  
You got no fiction if you've got no fact

Fire or freezin', dried up or bleedin'  
Just when it's over you get  
What you're needin', too much or no time  
Shut up, it's all mine and I let it go like that

Neckbone or backbone, neckbone or back

You got no fiction if you got no fact, yeah

Kobayashi Maru, what you gonna do?  
Am I gettin' through, am I gettin' through?  
Yeah, yeah, yeah

F-f-five triple zero  
Yes, you are no hero  
You stop wait, and why  
Oh w-w-where, oh where can I be?  
You must understand that the world is crazy, it's not for  
me

This is combat rock for the masses  
But you know I fear that the masses  
Need to get their asses kicked  
Quick, step on up!

Neckbone or backbone, neckbone or back  
Neckbone or backbone, neckbone or back  
Neckbone or backbone, neckbone or back  
You got no fiction if you've got no fact

Neckbone or backbone, neckbone or back  
Neckbone or backbone, neckbone or back  
Neckbone or backbone, neckbone or back  
You got no fiction if you've got no fact

Neckbone or backbone, neckbone or back  
Neckbone or backbone, neckbone or back  
Neckbone or backbone, neckbone or back  
You got no fiction if you've got no fact
