Blast off, blast off to nowhere  
Blast off this time to go  
Blast off, blast off to nowhere  
Blast off are you really what you think so

Please just kill me now  
Or get me off this rock  
Cause I can't stand to see your faces  
And I can't stand to hear you talk

Blast off, blast off to nowhere  
Blast off this time to go  
Blast off, blast off to nowhere  
Blast off are you really what you think so

Prepared for anything  
Case this time is for real  
Burn the souls of those left behind  
And I don't care how you feel  
Cause it's time  
To blast OFF
