What's that sound that
(Powerman, Powerman)
What's that sound that
(Powerman, 5000)
What's that sound that
(Powerman 5000)
What's that sound that you heard

What's that sound that you heard
What's that noise
(This is Powerman 5000)
What's that sound that you heard
What's that noise
(This is Powerman 5000)
What's that sound that you heard
What's that noise
(This is Poweman 5000)

What's that sound that you heard
What's that noise
(This is Powerman 5000)

What's that sound that
What's that sound that
What's that sound
What's that sound
What's that
What's

(Yeah, yeah)
