Are you the future or are you the past?
But have you been chosen or are you the last?
The message was sent and it seems so unreal
'Cause now I'm made of plastic, wire, and steel and
steel

Follow from now and follow from this
'Cause everybody follows for nothin' at all
Follow from now and follow from this
'Cause everybody follows for nothin' at all

Because, supernova, your supernova, supernova goes
pop
Supernova ya' think its over but that supernova don't
stop
Can ya' explain just what you are?
'Cause I've never been this close to a star, alright

The message was sent, ya' know what to do

'Cause everybody needs to be someone don't you,
right, don't you?

Follow from now and follow from this
'Cause everybody follows for nothin' at all
Follow from now and follow from this
'Cause everybody follows for nothin' at all

Because, supernova your supernova, supernova goes
pop
Supernova ya' think its over but that supernova don't
stop
Supernova your supernova, supernova goes pop
Supernova ya' think its over but that supernova don't
stop

Lets go

Supernova, your supernova, your supernova goes pop
Supernova, your supernova, your supernova don't stop
Supernova, your supernova, your supernova goes pop
Supernova, your supernova, your supernova don't

It don't, it don't stop
