Are you the future
Or are you the past
Have you been chosen
Or are you the last
The pictures were sent
They seem so unreal
Now I'm made of plastic wire and steel
Follow for now and follow for this
Cause everybody follows for nothing at all

Supernova your supernova...supernova goes pop
Supernova you think its over but supernova fdon't stop

Can you explain
Just what you are
I've never been this close to a star
The message was sent you know what to do
everybody needs to be someone don't you

(chorus)
