Yeah, yeah  
The one and only  
Yeah, yeah  
The only one

Yeah, yeah  
The one and only  
Yeah, yeah  
To burn the sun

Everybody this is it  
The one and only  
Megatronic super villainous

It seems so simple  
You can't survive  
Think it over  
Realize it's all the time you've got

Everybody, can you see  
The one and only  
One and only, one and only me

Yeah, yeah  
The one and only  
Yeah, yeah  
The only one

Yeah, yeah  
The one and only  
Yeah, yeah  
To burn the sun

Everybody gather 'round  
Pick yourself and your feet  
From off the ground and sink into the system

To find a world without an end  
You come around and back again  
To sing the song of truth one last time

It seems so simple, seems so right

But it's mostly just a lie  
Am I the only one that knows what this means

Yeah, yeah  
The one and only  
Yeah, yeah  
The only one

Yeah, yeah  
The one and only  
Yeah, yeah  
To burn the sun

Yeah, yeah  
The one and only  
Yeah, yeah  
The only one

Yeah, yeah  
The one and only  
Yeah, yeah  
To burn the sun

Forbidden planet  
Forbidden hope  
Electric God's a machine or a rope

Earth needs a killer  
To burn the sun  
Automatically adopted as the one

Everybody understand  
I speak the truth  
'Cause I lie more than any man

Expend expendable  
You'll never last  
Destroy the now  
'Cause it's here and it's going fast

Yeah, yeah  
The one and only  
Yeah, yeah  
The only one

Yeah, yeah  
The one and only  
Yeah, yeah  
To burn the sun around
