(Chorus)

Double fucked by two black studs

Double fucked by two black studs

Double fucked by two black studs

In the back of Sophie's Bar

(Chorus)

I was at Sophie's Bar on Fifth Street ??? ???

This woman was trying to impress me or something

She told me she had done it all sexually

She had heard it all

She had seen it all

And she had done it all sexually

She said she was jaded

So I asked her if she had ever been double fucked by
two black studs

And she didn't tell me

She just got up and left

So I figured she probably hadn't

(Chorus 2X)
