All time yu nah say
Respect yall
Write a bounce see yu fi wine ya
Mr dj yu know
Respect to the bouncers
Sign out, fi me

I like the way, the way you shake your ass around me
I like the way, the way you swing your hips around me
I like the way, the way you shake your ass around me
I like the way, the way you swing your hips around me

I like the way
gal you are moving
I wanna be around you have things to say
I like to say
Gal you are grooving
When i see the way i want you to stay

We have to play
Just like the lady
When i realised this music was played
I've got the feeling
When you are whining
When i realised this bang banging way

I like the way, the way you shake your ass around me
I like the way, the way you swing your hips around me
I like the way, the way you shake your ass around me
I like the way, the way you swing your hips around me

Bang bang
Bang bang
I want you to swing your hips around me

We have to play
Gal you are moving
I wanna be around you have things to say
I like to say
Gal you are grooving
When i see the way i want you to stay

Oh lord
Say you never fi dem givin it up
Say me ay say me ho
Say you fi go around me

I've got the feeling
When you are whining
When i realised this bang banging way

I like the way, the way you shake your ass around me
I like the way, the way you swing your hips around me
I like the way, the way you shake your ass around me
I like the way, the way you swing your hips around me

Oh oh oh (respect to the bara)
Oh oh oh (like the bounce we fi way you)
Yeah greetings from Jamaica
Greetings from Italia
Greetings from Europe
On your mad get set Mr Mr dj

I like the way, the way you shake your ass around me
I like the way, the way you swing your hips around me
I like the way, the way you shake your ass around me
On your mad get set mr dj

I like the way, the way you shake your ass around me
I like the way, the way you swing your hips around me
I like the way, the way you shake your ass around me
I like the way, the way you swing your hips around me

Bang bang
Bang bang
I want you to swing your hips around me
(swing your arms)
Bang bang
Bang bang
I want you to swing your hÃ³ps around me
