I want everybody to be on the right side  
I feel excited  
Right about now  
Give me some more  
Eddy Wata bonbadmemt

I love my people  
Singing in the sunrise blow your whistle  
Oh no  
I love my people  
Singing in the sunrise with a reason  
Oh no

La la la la  
La la la la  
La la la la  
La la la la

La la la la (I feel excited)  
La la la la (Bonbadmemt)  
La la la la (Give me some more)  
La la la la (Eh eh eh bum bulin-up)

There is a land me say far far away  
And there is a land me say there's only day  
Look into the Book of life and you shall feel seal  
And you shall feel you are on the sky

There is a land that you never got known  
And there is a land me say there's only day  
Look into the book of life and you will see  
Rhythm a fit flow me say there's only day

I love my people  
Singing in the sunrise blow your whistle  
Oh no  
I love my people  
Singing in the sunrise with a reason  
Oh no

La la la la

La la la la

There is a land me say there's only day  
And that's the land you get only the way  
You feel listen to the DJ  
When all man play  
And let this feeling rule the life

There is the man that you never got known  
And thre's a land me say there's only day  
Look into the book of life and you will see  
Rhythm a fit flow me say there's only day

I love my people  
Singing in the sunrise blow your whistle  
Oh no  
I love my people  
Singing in the sunrise wÃ¬th a reason  
Oh no

La la la la
